## A LIFE-CHANGING EXPERIENCE SCHOOL OF DIACONAL FORMATION

"The Diaconate Program at St. Charles Borromeo Seminary has changed my life. It has not only helped me grow spiritually, but it has also made me more grateful of God's blessings in my life. I have found that it is actually easier to come here and study than it had been for me in college or law school, even though I am married now, work full-time as a lawyer, and have four kids. I think this is because the subject material is of course all about our faith, which is truly a gift, and because the study of our faith brings us closer to the Lord. My wife has enjoyed attending classes as well. It's like an educational date night and has helped to deepen both our relationship and our faith.

The other men studying in the program have become brothers to me. We're all on this same walk to respond to God's call to be his servants. The whole process has been a gift. God is forming us because He wants us to be the best, not just for Him, but also for the community. With each step in our faith journey, we get closer to God.

**The seminary is key to the continuation of our faith and the evangelization of the community.** Anyone who can help support the Seminary Appeal is a treasure and is truly giving a remarkable gift."
