

St. Anne Chapel at St. Charles Borromeo Church

Dear Adorers:

As we move forward in this open phase of COVID restrictions, we are happy to announce the re-opening of St. Anne's Adoration Chapel at St. Charles Borromeo Church. Unfortunately, we had two incidents with an individual who misused the Chapel. Help us to ensure that the St. Anne's Adoration Chapel is always a place to adore and pray with our Eucharistic Lord, His Most Blessed Mother and Good Saint Anne.

For those who wish to visit our Chapel, please email or call St. Charles Borromeo Rectory Office (rectory@scbdh.org or 610.623.3800) to request the new door code. We will ask for your contact information and email the code directly to you. This code is not to be shared with anyone else. All are welcome to use the Chapel for prayer and adoration. However, we would like each person to request the new code themselves and to let us know what days and times they wish to visit the Chapel. Thank you for your kind attention to this sacred matter.

Respectfully yours,
Monsignor George A. Majoros, Pastor
